

Mincinglake & Whipton

Community Builder's Update Autumn 2023

Hello from Sarah!

Hello everyone!

Just a little note of introduction - I'm Sarah, covering Amy Jones' post as your Community Builder. It has been a areat few months aetting to know the area, visiting the lovely community aroups and hearing all the areat ideas from residents whilst out and about in the area.

Now Autumn is approaching (even if the hot weather says otherwise!) I'd like to share some of the great things that are going on locally and highlight some of the stories of inspiring figures in our community. With so many amazing things happening, it's a job to know what to select, but that's certainly not a bad problem to have!

I hope you enjoy reading.

Best wishes

Sarah

Working in partnership with Wellbeing Exeter

Listening Post

Listening is an important part of a Community Builder's work. Here's what residents recently said at Summerway Park:

> It would be good if there was more equipment to play with in the park

It would be great to see Summerway Park used more!

Summerway Park is a great place to walk my dog as I live nearby.

I'd like to see more nature projects in the park, maybe a herb garden, and I'd be happy to help make the planters

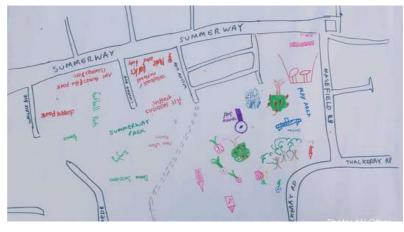

Summerway Sessions

Teaming up with Ebbie, Community Builder for Pinhoe, and Rhian, Physical Activities Co-ordinator for Exeter North, we've enjoyed listening to your ideas for Summerway Park during our 'Summerway Sessions' in August, which were aimed at getting people moving in the area. Thank you so much to everyone who has come along to try out activities and to chat to us about Summerway. On August 24th, we had the finale of these first batch of sessions, complete with a smoothie bike and a yoga taster session! Watch this space for more like this soon!

Have Your Say on Summerway!

Throughout these sessions, I asked those of you to came along to draw what you think of the area on a map to help me create a picture. Some amazing ideas have come from this - from fruit trees to wildflowers, planters to more play equipment.

I am now seeing which ideas have potential to take forward. There's still time to have your say! Drop me a line if you have an idea for the Summerway area -I'd love to hear it.

Listening Post

Continued - for Mincinglake and Whipton more generally:

I can't find any faults with Mincinglake Valley Park, it's clean, wild and I love what the Devon Wildlife Trust have done with it.

You are doing a great job- its's the most we've seen happening in Whipton in the two years since we've been here.

Thanks for posting events on Facebook, it's great to know what's going on locally.

Exeter just works

Foxes in Thackeray Road

A resident from Thackeray Road got in touch with concerns that a family of foxes would have their den destroyed if the council cuts down the thicket in which they live. The council have been asked to leave the area so that the foxes may thrive, and there are plans afoot to make the nearby green space more nature-friendly, possibly through the planting of wildflowers.

If you live in Thackeray Road and would like to help make this happen, get in touch and if you live elsewhere and would like to see more nature-friendly projects happening in your neighbourhood.

Hedgehog Highway, Merlin Crescent/King Arthurs Road

A local resident has had the great idea of encouraging neighbours to create a 'hedgehog highway' in their gardens, so that hedgehogs can move around safely and avoid crossing lethal roads. Emily Perryman from Devon Wildlife Trust is working with us to make this happen. If you live in the area and would like to contribute to the highway, let me know - it's very simple, but has a big impact!

Community Litter Picking in Lloyd's Crescent

There was a very productive community litter pick in Lloyd's Crescent with the housing officers from the City Council and some local volunteers. It was great to make the area look a bit tidier - thank you to all who helped out!

Have you ever thought about organising a litter pick? It's a great way to create community spirit and to foster pride in where we live. Do get in touch if it is something you'd like to make happen in your area, and here are some tips on the right of the page!

Top Tips for a Litter Pick

- Pick a place and time! Where is a hotspot for litter near your home? When would be a good time to go and who do you want to go with?
- Keep yourself and others safe Gloves and hi-vis jackets could be useful. Why not read the council's risk assessment to get an idea of how to manage risks?
- What will happen to the litter? Will you take it home to put in the black bin... or could you use the council?
- Make it enjoyable!

Maybe provide refreshments at the end or invite folks to come buy a drink with you? Challenge kids to record how many pieces they pick up. Have a prize for the team with the top score. How can you make sure everyone coming can have a role and be welcomed? (no matter their age or capacity!)

Spread the word

Remember to say WHY you're doing this. Could your community builder help spread the word? Is it word of mouth only? Or could you put notes through neighbours doors? Are there nearby noticeboards or online groups on Nextdoor or Facebook or Whats App?

ECI celebrates 30th anniversary!

Local charity, Exeter Community Initiatives (ECI), is celebrating its 30th anniversary this summer!

Community Builders, who are mentored and managed by ECI in partnership with Wellbeing Exeter, are just one of several ECI projects that have helped more than 50,000 people in Exeter and across Devon over the last three decades. Established in 1993, the charity was initially set up by local churches to help homeless people in Exeter.

ECI was originally known as the Palace Gate Project and soon became an umbrella charity creating more than 25 new community projects, several of which still operate as independent charities today, including St Sidwell's Centre, St Petrock's and Homemaker South West Ltd.

Thirty years on, ECI works with individuals, families and communities to empower them to take control of their lives, develop strategies to own and manage their choices and thrive within the life they want to lead. As well as Community Builders, its projects include Bike Bank, Exeter Connect, Jelly charity shop, Transitions, Remade and Family Resource.

In 2023, ECI's services are in demand more than ever as people struggle with the cost-of-living crisis. As part of the charity's 30th anniversary celebrations, it has launched a fundraising appeal and hopes to raise £5,000 by the end of the year. If you would like to donate, visit: <u>https://localgiving.org/appeal/ECI30A/</u>

Whipton Community Hall - Can you help out?

Whipton Community hall is a vital part of our local community, providing space to host a wide variety of events, groups and classes. None of this would be possible without the inspiring dedication of Wendy and Mark Bodell, who voluntarily run the hall. If anyone would like to get involved, they are looking for people to help with:

- Gardening and maintenance
- Assisting with events
- Manning the kitchen
- Setting up and clearing away events, especially Meet with Mummies play cafe.

If you can help, please contact admin@whiptonhall

The Star Inn Shines

Sharon Crisp, who runs the Star Inn in Whipton, has worked hard to overcome the pub's former reputation by transforming it into an important community space. This began by hosting St Boniface Church when the church building was under renovation during the pandemic.

There is now a community coffee morning every Wednesday, 10-12 noon. Come along for an excellent cream tea and wonderful company, and keep an eye out on the Star Inn Facebook page for other forthcoming events.

The Beacon Centre

It has been buzzing at the Beacon Centre over the summer with a range of events and activities, including nature-inspired printmaking with Double Elephant Print workshop and making insect hotels with the Devon Wildlife Trust.

Check out the What's On section for all the amazing groups and activities going on at the Beacon - from the Foodbank to the Toy Library, from the Community Garden to a craft group, there really is something for everyone on offer here.

St Boniface Church

St Boniface Church aims to serve the wider community in Whipton. They run a food larder on Thursday evenings, a school run cafe on Wednesdays, and the popular Legs, Tums & Mums class is set to return in September. Check out the What's On for more details, and thank you to Carl and Sarah Robinson for their hard work at the Church.
