Exwick Community Association

Exwick Community Association is a small charity run by local people who want to help improve the area and create more opportunities for people living in Exwick. Over the years we have run events, helped with projects in the area, even hired people to put on classes and training. We work with and offer support to other groups who have similar aims.

There are lots of ways you can get involved from helping out at one off events or volunteering on a more regular basis. If you have an idea for an activity or event we'd love to hear from you. We are also setting up a small committee of local residents and hall users to run the Exwick Community Centre.

Volunteering opportunities available:

- Help run one off events, such as the Summer Fete, Christmas Fair, Litter Picks
- Fundraising, admin and social media
- Help develop a new newsletter for the area
- Running the Exwick Community Centre – looking after bookings and opening up
- Maintenance jobs at the Community Centre – improving things, painting and general repairs
- Leading new groups. If you have an idea for an activity you want to run we could help you get it started.
