The Hill Barton Vale Residents Association is established and represents the views of the growing community to ensure community events and work towards the adoption of the land and roads to allow for future development. Composed of a small team of three executives, we always keep an ear on the ground for community successes and struggles, ensuring both are shared and reported accordingly. Importantly, we work closely with FirstPort (previously Blenheims) on the adoption of the community space to ensure residents' requests and expectations are met. If you would like to share an idea, a project or something not quite right, please get in touch by email on hillbartonvale@gmail.com or on Facebook on Hill Barton Residents Association.
